About VXMSecure LLC

Welcome to VXM Secure – Where Excellence and Dedication Unite! Guided by the vision of our founder, Tom Madaras, our incredible team doesn’t just work hard; we embody dedication. What sets us apart? It’s the spirit of collaboration that shapes everything we do. As a team, we combine our skills and wholehearted commitment to achieve remarkable results. Consider us your partners on this journey.

Over the years, we have developed strong bonds with government agencies and private enterprises. Our reputation is built on the trust we have earned, particularly from esteemed institutions like DoD, DOE, VA, NIH and NASA. VXM Secure isn’t your typical service provider. We are the people you can count on – approachable, proficient, and always here to help. Whether it’s sourcing strategic minerals, filling your medical equipment and supply needs, or fortifying your digital world we are committed to your success.
